

2009 Trinity Scholarship Application Information

The Trinity Lutheran Church Scholarship committee invites post-secondary students who are currently members of Trinity Lutheran Church to apply for a scholarship for the 2009 fall semester. This scholarship is for second, third or fourth-year college students, vocational school students, non-traditional students or seminarians.

Applications may be picked up at the church office during their regular business hours, at the ushers' desk at the rear of the sanctuary, or by emailing the office staff at trinity@springgrove.coop. Feel free to use the application that is printed in this newsletter and mail or drop it off at the church office once it is completed. If you choose to email your application back to the church, it is requested that a follow-up phone call be made to assure that your application was received.

Parents of college students are invited to pass this information along to their son or daughter so that they may have the opportunity to apply for this scholarship. **All completed scholarship applications are due in the church office at the end of the business day (4:00 pm) no later than July 31, 2009. Applications received after the deadline date of July 31, 2009 will not be considered.**

When completing the application, please indicate the name of the post-secondary school and the business office address that you will be attending for the 2009/2010 school year.

Award recipients will be notified in August, when you will also receive further information and instructions.

Thank you,
